

South Jersey Soccer league
5/23/19

To everyone - just as a reminder, the next SJS� General Membership meeting will be held on Thursday, June 13, 2019, starting at 8:00pm at the Hotel ML in Mt. Laurel. A meeting agenda will be sent to everyone a few days before the meeting.

As you know, online league registration will open on June 5, 2019. The league will be preparing step by step instructions for anyone who needs additional help at that time. The instructions are anticipated to be posted at the time that registration opens. We are again utilizing the Got Soccer platform for registration, so everyone should be familiar with the process. Registration will close on July 8th at 8:00pm. Invoices will be posted on July 10 and payable on July 16 from 6:00-8:00pm at the LaQuinta Inn in Mt. Laurel.

We are aware that US Club is planning to roll out a new National Registration System effective for the Fall 2019-Spring 2020 seasonal year replacing the old KYCK System. This is beyond our control. This is a nationwide System being used by all US Soccer organizations. We have asked them to set up training for the board and for our member clubs. Because it is a national roll out, there will be complications in setting a date. We had requested to have shown to our members on the 13th, but they are on the West Coast that week and not available. SJS� and SJGSL have set a date of Monday June 24th 7 PM at the Hotel ML to complete this training on the new National registration System. This meeting should be attended by the person or persons in your club who will be responsible for overseeing the US Club registrations for your club. This should probably be your club registrar or admin rather than your club rep. Since US Club is currently working to migrate all your currently entered information over to the new system, powered by Sports Engine, we are hoping that the learning curve will be small for us. Unfortunately, because of elections and our Constitution rules, we cannot reschedule our June 13th meeting. Please be assured that we are doing our best to make the process easier on everyone.

The Executive Board will be brought up to speed and once we have more information, we will pass it along to you. Thank you for your time, patience, and dedication for the children in our communities.

Thank you.
SJS� Executive Board
