

S

SOCCKER FIRST. Our continued goal is to get more kids on the field and to better educate our players and coaches. We encourage soccer models that foster more FUN and more quality instruction.

J

JERSEY PROUD. In today's world of pay for play, we support our local clubs and towns as they continue to put the kids first over financial gain.

S

SCHEDULE SECURITY. As requested by our members, SJSL continues to offer fixed game dates and times. This added security takes away the fear and confusion about last minute changes or adjournments.

L

LEAGUE CUP. SJSL is exploring the creation of a tiered League Cup that will extend the cup experience to teams in all flights and at all skill levels at an affordable cost.

B

BEST \$ DEAL. Once again, SJSL will hold its registration fees to a record low of \$80 per team for the Fall 2018 season and \$90 for the Spring 2019 season. For a 10 game schedule, it is clearly the best bang for your buck.

O

OUTSTANDING REFEREE COVERAGE. SJSL will continue to offer high quality referee coverage. For 2017-18, SJSL provided 98% referee coverage and 76% with 3 man crew coverage. Feedback from our coaches has allowed us to steadily improve the quality of our referee crews.

Y

YOUTH FOCUS. Our focus continues to be on what is best for our kids. We strive to provide the most opportunities for our kids to play in a safe and educational environment.

S

SERVICE. SJSL's commitment to our members is unparalleled. The league has been at the forefront of concussion awareness, PDI preparation and small-sided play. The league has been proactive to reduce the "politics" and get back to the game.
