JOINT. To assist our membership, many of our committees and activities are managed jointly with the South Jersey Girls Soccer League. We are trying to simplify the process and remain as consistent as possible between the two leagues in the interest of serving our membership.

S

SEPTEMBER CLASSES. In case you missed it, the free July & August coaching education classes are over. There will be a low \$20 registration fee for the new Level 1 course going forward. A September and November class are now open.

L

LAST MINUTE. Please do not wait until the last minute to complete your league rosters and card your players and coaches. The fall season is rapidly approaching and there are still a lot of teams without passes. Avoid the last minute log jam and complete your passes now!

N

NEW WEBSITE. SJSJL’s new website is powered by GotSoccer. You may have noticed that the league’s new website now appears at the www.sjsl.org address. We are improving it daily with the aid of our new webmaster, Keith Rambo of No. Burlington SC.

E

EDUCATION. SJSJL rolled out its new Level 1 Coaching Education course this summer. Over 175 coaches signed up to attend this new course. The course was hosted by 7 different soccer clubs and spread out over 10 dates. More classes are coming!

X

X MARKS THE SPOT. You must have the SJSJL league logo printed on the back of all of your passes. Without this logo, your coaches and players will not be eligible to participate in league games. Contact your club rep if you are having problems getting the logo to appear.

T

TWELVE DAYS. 12 days (or thereabouts) until the first mandatory coaches’ meeting. There is a mandatory meeting for U8-U11 coaches on Tuesday, Sept 4th at 8:00 at the Hotel ML. The U12 and above coaches will meet the next night on Sept 5th. All teams must be represented.
