

South Jersey Soccer League Special Announcement

11/17/18

Rescheduling Fall Games.

To all SJSL Members:

As we all have experienced, this has been by far the most challenging season. The amount of rescheduling games has been monumental, and the members have done a fantastic job working together getting games played despite the obstacles.

The SJSL Executive Board has decided the following:

- All league games already scheduled for 11/18 through dec 2<sup>nd</sup> are to be played. Games rained out Saturday and Sunday 11/17 & 18 do not need to be rescheduled unless they influence flight winner results. The contacts below will determine those scenarios.
- Games that will influence standings for flight winners must be rescheduled.
- For u11-U14, Contact Mike Trojak, fall games comish
- For u15-U18 contact Larry Young SJSL President.
- Any 7v7 game not currently scheduled does **not** need to be rescheduled unless both coaches want to play then use normal rescheduling procedures.
- **ALL SJ CUP GAMES MUST BE COMPLETED ASAP**

There will be NO fines for not making up cancelled games or TBA's unless league determines game needs to be played for the above reasons.

We thank everyone for their efforts this fall season. The communication & cooperation has been excellent.

Any questions may be directed to Larry Young SJSL president.
