Motion to accept: Pemberton, second: Marlton. Vote to accept Unanimous.</p>	
Registrar's Report:	After Round 8, Nov 6 is the cutoff for player transfers or adds. Chuck suggested confirming with coaches now for expected Spring teams to limit the implications from teams dropping.	
Grievance Report: Rules and Compliance:	Tom O. reported poor conduct reports are down. Too many mercy rule games, primarily at the U9 age group. Please communicate rules to your coaches.	
Fall Games Report:	There are 24 remaining TBR games to be scheduled - please reach out to Mike to get on the schedule. Ref not in system (due to new refs), send to Mike Bonanno for the ref to be entered. For score reporting errors, use the incorrect score report link on the website and Mike will handle. Do not enter all statistics, just the score only.	
Information/Tech Report:	<p>Joe reported registration for Spring season will be through Bonzi directly from the club administrative site, not via SJSL league website. Ratings information questions will be included with the registration process. Contact Joe with any questions. Suggestion to try with one team to get accustomed to it. Be sure coach contact info is included as this will relate to ratings emails and how we'll contact coaches.</p> <p>Club rep creation into Bonzi – currently about 50% complete. Go to the admin (SAM) site and identify the club rep as “SJSL rep” per the instructions sent out. Joe noted the clubs who are still outstanding with no SJSL rep entered. Same process for the girls rep just label as “SJGSL rep”.</p> <p>Player transfer and release via Bonzi. Instructions will be coming out from NJYS and SJSL will follow up as well as post on the website. Procedures are also posted in the recent newsletter.</p>	
Old Business:	Game day rosters	Guest players have been minimal so far and the process is being worked out. For situations where the system will not allow the guest to be added to the game day roster as guests, message must be sent to Larry or Bob.

	Coaching requirements	Any suspended coach may not be on or near the field of play during games while serving their suspension. Coaches or assistant coaches may not be on the parent side during games – only on the team side in the designated coaching area.
	Field markings	Spectator lines and technical lines need to be painted on all fields of play to visibly detail these required areas.
	Coach fines	35 coaches were not present during the coaching meeting, most there has ever been. The fine monies will go toward the scholarship fund.
New Business:	Spring Dates	Finalized Spring dates listed below. Will also be posted on the website. 	USC Convention	Name change from NSCAA. Jan 17-21 located in Philadelphia. Very good experience, presenters and exhibitors.
	Ref evals	Fines will be imposed now for any ref evaluations that are not completed from week 5 forward. The process is much simpler, and the database provides great data use ability.
